About This Content

Dive head first into the action with the PvP Pro Pack! The PvP Pro Pack instantly levels up all characters to level 25, gives players 30 days of 2x XP boost, and gives all characters the Shadow Armor set.

The Vaklndr forged the Shadow Armor deep in the darkness of the Devourer's dwelling. It is stained with the same shadows the Devourer casts. The armor's outside is lined with coal from the mines of Mitgarde, found deep within the earth, providing extra protection against attacks. In addition to carrying the shadows of its origins, this armor is perfect camouflage for stealth attacks at night or slipping in and out of rocky terrain during the daytime.

This pack includes:

All characters instantly level up to level 25

- 2x XP boost for 30 days after you purchase the pack
- The legendary Shadow Armor for all classes
